Select PPE (Pty) Ltd Celebrating Youth Day

Youth Day in South Africa commemorates the Soweto Uprising in the country. The day is celebrated in order to recognize the role of youth in the liberation of South Africa from the Apartheid regime. We celebrate Youth day on June 16 every year. Source: (<http://www.calendarlabs.com/holidays/south-africa/youth-day.php>)

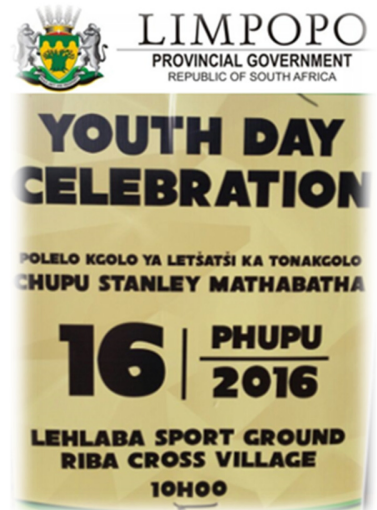

Select PPE (Pty) Ltd strives to adhere to all company values, contributing equally to each value. And given this special day of celebration, Select PPE has decided to give back to the *Community* as this is one of our core values.

Giving back to your community in whatever form, help those in need and contribute to the common good.

Giving back can be done in different ways, by giving money or giving your time. No matter how you do it, giving back to your community will touch many people's lives.

Volunteering at a local event or making a monetary donation, the smallest good deed can ignite change and positively impact the community by providing a renewed sense of hope.

Celebrating this 2016 Youth Day, Select PPE decided to make a monetary contribution towards the Limpopo community in order for them to provide food hampers to the youth of Limpopo on this special day. Select PPE trust that by making this contribution it will motivate others to give back and create a feeling of care within the community.
